ing Friday at noon in Thomas Hall. At the meeting the board will talk about the search for a permanent president, set a date for the next meeting with Northwest Kansas Technical College in Goodland and a possible board retreat.

• Heard from Nick Wells, endowment foundation director at the college, that endowment board members Sherry McDonald and Sandy Hill, two long time endowment board members have retired and

Pat Kaiser and Sharon Redmond will be replacing

• Trustee Arlen Leiker said he was in favor of the proposed Multi-Purpose Activity Center being built in Colby, but he didn't want it to be built on the college campus. Board attorney John Gatz had written a letter on behalf of the board endorsing the center center without making any concrete agreements about what role the college with the project. Vern Henrick, fundraising expert for the project, said the discussion over the center will determine it's location.

Colby financial advisor changes firms

From "ADVISOR," Page 1

LPL is more suited for clients in an agricultural oriented society. So he pondered the conversation with uct knowledge, technical savvy the representative, and in about a and the unbridled optimism of week, received another call.

"By that time, I had begun my research, and made a decision to step back and evaluate the present and future needs of my client been in this business 20 years as a general principal and financial advisor to clients in the tri-state through some astounding experiences such as the fabulous "bull market" of the late 1990's. Then it was the subsequent "tech wreck" in the early 2000's.

"After that it came closer to 'average' years. Then the real estate tor has gone through in the last 10 bubble burst in 2008, but true to to 15 years, the change in the way American resiliency, we've seen they approach the future is necessome whopping returns to a lot of the financial markets in the last two years."

form of investment advisor support that would benefit his clients and the local office, so he made the change.

surance licensed financial advisor back the trust of the client.

to come into the branch, and feels fortunate that he has been able to add James Brackett to the office.

"Bringing youth, energy, prod-Brackett into the office has sort of renewed our vigor," Oliver added.

He said together they thoroughly evaluate each and every financial concept they may encounter base and the branch office. I've in their quest to satisfy their clients financial objectives, and he believes that weaving the two thoughts - the advisor with expearea," he said, "and have been rience and the advisor with fresh ideas - will help accomplish what their clients are looking for.

> Oliver says he's never been more excited about the future than he is right now, and that considering everything the average invessary and desirable.

He said as an example, clients and advisors and the industry Oliver said he thought that LPL are re-evaluating how a financial financial would offer a better plat- advisor should get paid - by the tried and true traditional method of commission-based selling or the more modern concept of feebased portfolios. He noted that it's Oliver explained it was time for going to take a lot of hard work a young Series 7 Securities and in- in the financial industry to build

"I vield to the wisdom of Warren Buffett, one of the greatest investors of all times," Oliver said.

are 'Never bet against America." He said that in 1884, the head of the U.S. Patent Office remarked, "everything that could be invented has now been invented." But contrary to that thought, Oliver said he believes the best is yet to

"Buffett's great words of wisdom

He encourages the public to take advantage of the high level of current financial knowledge James Brackett has to share. "The world is changing at break

neck speed," Oliver said, "and investors are going to benefit from the advise that a knowledgeable financial advisor can provide."

Oliver and Brackett can be reached at Oliver and Associates at (785) 460-2226.
