Quality Assurance Manager

McCarty Family Farms, LLC is currently seeking a Quality Assurance Manager for their new milk processing facility. This will be a great opportunity to join a fourth generation dairy farm that is expanding into milk processing. We are currently looking for a team oriented and motivated individual to join our family operation. Responsibilities will include development of the milk quality program and management of the laboratory testing and protocols. Experience in quality assurance programs is a must and some experience in fluid milk processing would be beneficial. Salary will be based on experience. We will provide benefits, paid holidays and vacation. If interested please send resume and 3 references to:
