

# At the fair...

...you can find a wide assortment of activities. (Clockwise, starting below, left) Mutton Bustin' is always a hit with young and old alike. The young do it, the old watch it. The KPRR rodeo always draws a crowd. Youngsters can be evaluated on how they raise small - or large - animals. The Demo Derby is always a hit. Usually quite a few hits. Animals are not restricted to 4-H projects, as Open Class entries of all kinds are also welcome. Pedal Tractor Pull contests must first be calibrated - by the adults, of course. Even if they barely fit. And finally, what grandparent can resist a fashion show? All this and more is...at the fair.
