Agri-Women seek members

American Agri-Women kicked off a membership campaign in March that runs until Friday, May 31. The theme: "Join us as We Stand up for Agriculture." American Agri-Women is the professional sorority to help women better manage their operations, network with others in agriculture and keep current on ever-changing regulations. This is more important than ever as women are assuming more management responsibilities. In fact, recent statistics show that nearly 30 percent of farm operators are women. "Our organization is unique because we include

all segments of agriculture and raise one voice together," says President Karen Yost of Billings, Mont. "AAW membership expands past U.S. borders. We continue to receive inquiries from women in other countries, who are experiencing many of the same challenges as American farmers and ranchers." "We encourage all women to learn more about what we do - and join us!" Go to the organization's website for information or to join, americanagriwomen.org/join-now.

Chips are down: snack truck taken

PHILADELPHIA (AP) - The chips are down - and out - after Philadelphia police say someone drove a snack truck away from a city convenience store.

Police have continued to search for the Herr's potato chip truck that was parked in front of a 7-Eleven on Tuesday morning while the driver was making a de-

livery. The driver left the keys in the truck and someone jumped in and drove away in the truck shortly before 8 a.m.
