Kanorado water project moving slowly

By Sharon Corcoran

The Goodland Star-News Work is moving forward, though slowly, on a project to replace the water lines, wells, meters and fire hydrants in Kanorado.

The city has nearly \$1 million to pay for the work, a \$400,000 grant from the Kansas Department of Commerce and \$583,130

ment Administration, part as a needs to be done, said Susan grant and part as a loan. The city Adams, city clerk and water and will add \$15,000.

The city plans to replace old 2inch and 4-inch water lines, up- bids that came in weren't what the grading most to 6 inches, and re- council wanted. place the wells, meters and fire hvdrants.

Adams said. When you're dealing with grants, she added, you have to make sure your "t's" are crossed and your "i's" dotted.

Both grants came with a one-year deadline, Adams said, but the city After the company sees what has applied for an extension.

"Hopefully, we'll get it moving

DECA members prepare for state

Goodland High School DECA that allows consumers (students) to Career Development Conference on March 3 to 6 in Overland Park.

The work includes a Learn and Earn Project, an Entrepreneurship Promotion project, a Public Relations project, and a Community Service project, sponsor Richard Schwasinger said Friday.

Twenty-three chapter members will attend the state competition. Schwasinger said the members qualified through series competition (career tests and case study role plays), written events (30-page written projects and interviews) and state officer elections.

The Learn and Earn project focuses on entrepreneurship and starting a business, he said. During the basketball and wrestling seasons, chapter members operate concession stands as actual businesses to practice management, marketing, merchandising, selling, inventory, product development, communications and advertising skills. Members include Jonathan McClung, Thomas Terry and Taolor Freeman.

The Entrepreneurship Promotion Project focuses on promoting local retailers and persuading people to buy at home. Chapter members spoke to the city commissioners on Jan. 22, and Mayor Rick Billinger signed a proclamation for "Entrepreneurship Promotion Week."

"During our Entrepreneurship Promotion Week, through Friday of this week, chapter members will conduct promotional projects in Goodland and specifically the elproject member Jessica Lu.

Events include a retail program Grote and Kathy Wood.

members are preparing four major buy in selected Goodland busiprojects for competition at the state nesses and receive a chance to win a \$100 gift certificate to a participating business of their choice. Project members include Lu, Jillian Parker, Sandy Johnson and Michael Bryce.

The Public Relations project emphasizes promoting worthy organizations in Goodland. DECA members chose to support the Northwest Kansas Animal Shelter this year.

Chapter members spoke to the city commissioners and the mayor signed a proclamation on Jan. 22 for "Northwest Kansas Animal Shelter Promotion Week," which is next week.

The chapter campaign, "Have a Heart, Animals Need Love Too," is dedicated to promoting the shelter, raising money for it and teaching people how they can become pet owners through the shelter. The agency has 77 dogs and 20 cats to be adopted, Linsey Owens said. Plans include a bake sale to raise money for the shelter, Schwasinger said. Project members include Mindi Keith, Owens and Sean Cochrane.

The Community Service project is dedicated to raising money for the American Cancer Society. DECA members will take part in the American Cancer Society's "Relay For Life"this August. Through fund-raising activities, he said, members hope to double the money they collected last year. Project members include Cody Engel and Adrienne West.

Other chapter members competing at state include Lauren Abernathy, Michelle Smith, Tamara West, Tiffanie Schlink, Dylan Hageman, Chris Geeseka, Robert ementary and junior high," said Borneman, Andrew Philbrick, Brittaney Medrano, Samantha

Taste of Home culinary specialist calls table 'a gift'

results are worth the effort, said Kristi Larson, culinary specialist from the Taste of Home Cooking

Think of the table as a gift that you wrap with care, say Larson, who will be in Goodland on Tuesday, Feb. 20. The display invites day. This frozen dessert is made of two-hour program. each guest to the table with antici- mousse or ice cream and cake new significance because you made this special effort.

trendiest colors of the season, she says. Golden apricot, strawberry ice or café crème are some of the hottest colors this spring. They may sound like a dessert menu, she said, but they can brighten your table. Placemats, runners, napkins and tablecloths in these shades are guaranteed to stimulate the appetite.

Speaking of desserts, you will want to have an impressive finale for your festive meal, come to the celebration of spring flavors at Max Jones Fieldhouse on Tuesday, Feb. 20, when The Goodland Star-News hosts a Taste of Home Cooking
