

# Watermelon feed good time to visit

The Watermelon Feed was Friday, Aug. 17, at the Hunter Hall. Always a fun time and lots of visiting and good eating.

The Thompson family reunion was held the weekend of Aug. 3, 4 and 5. They camped out at Marjorie Westover's and Mike Schultz's campground. They had their big dinner at Hunter Hall. Had a big crowd, Marjorie isn't sure how many there was this year.

Merle and Helen Metzler came home this week from their trip to South Dakota. Guess they got into some real hot weather and big storms.

The community was saddened by the death of Ernie Seemann Sunday Aug. 12. He will be very much missed by all of us, and we pray for his family.

Frontier Ag. had a great lunch Wednesday, Aug. 15, and the Senior Center thanks you for supplying our lunch to us.

School will be starting this Friday. Already the sports department is busy with volleyball and football.

Where did the summer go. Most of the college kids have started their new year.

Many Kansas retirees may pay less for state taxes thanks to tax cuts passed earlier this year. During the 2007 session, the Kansas Legislature passed tow tax laws related to Social Security and KPERS benefits.

A new Kansas law may allow you to exempt Social Security benefits from your state income taxes. If you are eligible, you will be able to subtract Social Security benefits that are included in your federal adjusted gross income when you file your Kansas income tax return.

Social Security benefits can be subtracted to obtain Kansas taxable income only if your federal adjusted gross income falls below certain levels. Check into this with your tax people.

Take care and have a wonderful week. God bless you all.

## Removing grass, weeds

Karla Thompson (left), a pharmacist and pharmacy manager at Wal-Mart, worked with her step-father Lloyd and mother Irene Smith to get the weeds and grass out of the flower bed at the entrance to the city by Pioneer Park on Wednesday morning.

Thompson said she couldn't stand the weeds any longer. Wal-Mart employees adopted the planters on Business U.S. 24 at Cherry.

## Scout night Thursday

Boy and Girl Scouts are teaming up for a Sign Up for Scouting Night at 6:30 p.m. Thursday at the West Elementary School gym.

Parents can sign up their children for both Scouting programs at the same time, and both organizations will have representatives present to answer questions. Parents must fill out a registration form and pay the \$10 in annual dues. Scholarships are available.

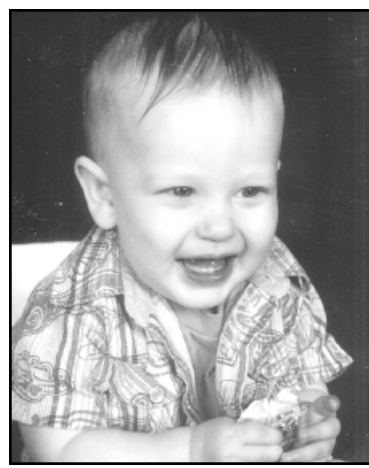

Adults are encouraged to sign up to be leaders or co-leaders. Volunteers play a big part in helping kids to have fun, face new challenges, make friends and learn how to make a difference in their community.

The Boy and Girl Scouts in almost 100 Kansas counties are doing the sign up on the same day.

In Scouting, kids are encouraged to explore their interests and the world, discover the value of teamwork and the importance of responsibility.

For information, call Girl Scouts at (785) 259-6743 or Boy Scouts at (785) 639-0572.

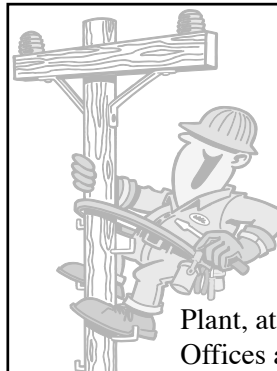

## Baby celebrates first birthday
