

# Go Cowboys!

Cowboys Coach Jonathan Dansel talked to his team and praised them after the 41-33 comeback win over the Colby Eagles on Thursday. Dansel told the team the comeback was an awesome effort, and that if the team plays that way they can play against anybody. Tonight the Cowboys are in Andale to face the 23-0 Indians who are the defending Class 4A champions. Dansel said the Cowboys have a chance to redeem themselves and play like Cowboys. This is the second year the Cowboys have made the bi-district playoffs with a 3-6 record and faced Andale last year.

**Congratulations on your 41-33 win  
over the Colby Eagles.**

**Good luck tonight  
against the Andale Indians  
in the Class 4A bi-district playoffs!  
Game time 5 p.m.**

**We believe in you! Go Cowboys!**
