Senior Center Jordan Bedore of Goodland was selected as a team captain for the upcoming Kansas State University football season, but was out with an injury and did not play in the Wildcat inter-squad Purple and White spring football scrimmage on Saturday.

"It is a great honor to be selected as a captain," said Bedore. "I will be ready for the fall season."

Kansas State would not comment on Bedore's injury.

Bedore was honored at halftime receiving the Anthony A. Bates Memorial Award for his contribution to the Wildcat program.

McCook High School graduate Josh Cherry was the star of the game in Manhattan Saturday as he kicked the winning field goal in the game. The Sophomore kicker booted a 51-yard field goal with 12:46 in the fourth quarter to win the game.

Approximately 10,000 loyal Wildcat fans were on hand to witness the game which was played under warm smoke-filled skies

due to area field burnings by local farmers.

In a defensive game, filled with penalties on both offense and defense, newly transferred Keithen Valentine, a 5-9, 193 pound running back from Mississippi Delta Community College in Baton Rouge, La. of the Purple team, showed signs of his slashing quickness and cut-back ability carrying the ball 15 times for 106 yards against the stingy White team defense.

Starting junior quarterback Josh Freeman, played only one quarter of unimpressive ball throwing four passes with only one reception and one interception.

Freeman turned the ball over to Freshman red-shirt Wichita Kapaun Mt. Carmel's Tysyn Hartman who didn't do much better throwing seven times completing two for 20 yards.

Purple team quarterback Carson Coffman showed the crowd and teammates that he is a player to be reckoned with. During his stint at quarterback, the Peculiar, Mo. sophomore threw 14 times completing six passes for 41 yards, along with a 20-yard run.

The winning White team was treated to a steak dinner, while the losing Purple team was forced to eat Boloney sandwiches.

"I am pleased with the number of juniors and seniors we have in the program," said Coach Ron Prince. "The number of players who have played in games and how their game is developing. I am very pleased a player like Josh Cherry can mature and develop to the point to where he can make the kind of play he did tonight."

"We need to have those kind of strides in the next few months. I measure how it relates to seasons...I think the group can be evaluated our group now best in January. We have worked quite a while putting this team together a certain way....I am cautiously optimistic....and we begin recruiting after this game."

Prince said he felt he needs to recruit more players to improve the depth on defensive line and in the secondary. Prince has continued to look in the junior college ranks for top-notch players to fill holes left from graduation. He currently has 13 new transfers who played in Saturday night's game.
