The Goodland Cowboys traveled to Holcomb Friday and exploded in the second quarter to beat Holcomb handily 38-13.

Coach Kent Teeter wasn't pleased with the performance in the first half, but thought the Cowboys responded well in the second half.

"You know it's probably not fair, but I want us to be perfect," he said. "I want everything to go well and it's not always going to happen."

In the first quarter the Cowboys allowed Holcomb to score for the first time this year, with a 1-yard touchdown run on a 13 play, 67 yard drive.

In the second quarter Goodland got on the board with a 25-yard touchdown pass from Reed Bellamy to Brock Wilkens, with the two-point conversion run failing to make it 6-6.

On the ensuing kickoff, Holcomb fumbled and Cowboys kicker Austin Avelar picked the ball up and ran 21-yards into the end zone for the Goodland score. Again the 2-point conversion failed but Goodland led 12-6.

Another special teams play changed the game a couple of minutes later when Kelly Pearson returned a punt 73 yards for a touchdown, capped off with a Dallas DeLaRosa extra point.

At halftime with the score 19-6, Coach

Teeter wasn't pleased with the team's play, and expected them to get better.

The Cowboys responded in the third quarter when Pearson took an outside run 9 yards for another touchdown, the extra point again kicked by DeLaRosa to make it 26-6.

Sophomore Ruben Lazaro was injured in the third quarter, with a fear of a torn Medial Collateral Ligament (MCL).

With 10:14 left in the third, Nathan Deeds took a handoff and ran 50 yards to pay dirt, followed by a failed two-point conversion making it 32-6.

In the fourth quarter the game was pretty well decided, and the Cowboys substituted most of the junior varsity.

Holcomb scored on a 19-yard pass on a 12 play- drive, 66-yard drive to make it 32-13.

Goodland responded with a 1-yard run from freshman Garrett Taylor. That made the final score 38-13.

Bellamy completed 8 of 14 passes for 69 yards, a touchdown and had one interception.

Leading rusher was Deeds who carried the ball 7 times for 79 yards and a touchdown; Bellamy carried the ball 6 times for 60 yards. Wilkens had 3 receptions for 42 yards and a touchdown, as five other receivers caught balls.

In the first quarter the Cowboys were out-matched with enthusiasm, but after Pearson

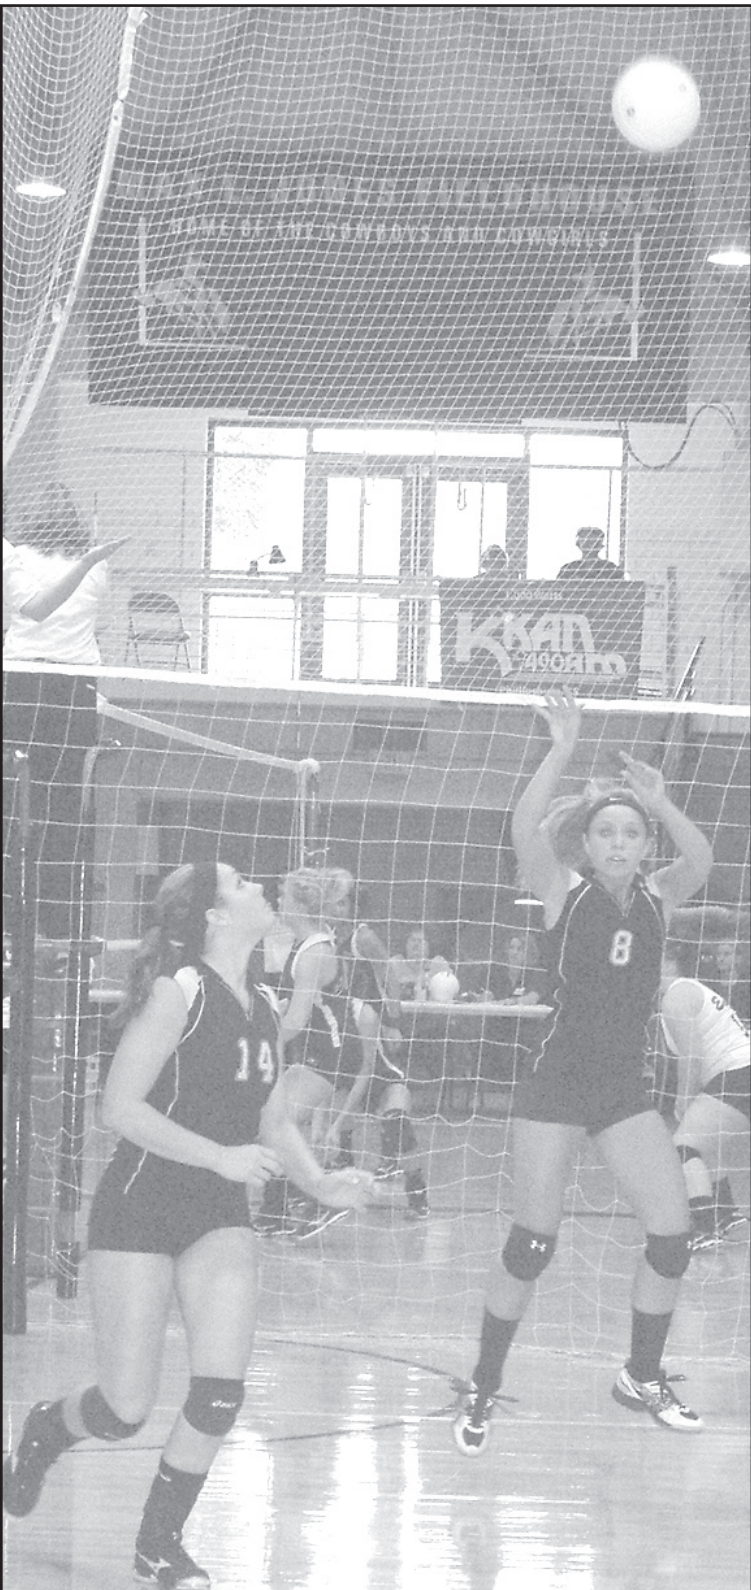

returned the punt for the third Goodland score the momentum was captured and was never given up.

After a meager performance against Ulysses, center Tyler Jones made it a point to play better, and played very well.

Coach Teeter gave props to the special teams coach Donald Raymer as he credited the win at the hands of the special teams. Turnovers were a big part in the game as Goodland caused 7 turnovers.

Friday the Cowboys host the undefeated Scott City Beavers. In the post game huddle Pearson reminded the team of the date when the Cowboys last won a home game. "Oct. 28, 2008."

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
