

Be a little crazy sometimes

During these crazy times, add a little craziness of your own to the office:

- Without disguising your voice, page yourself over the intercom.
- Wear a large, crazy hat.
- Soak your fingers in Palmolive while sitting at your desk. Call everyone Madge.
- Put a trash can on your desk and label it "IN."
- Wear a name tag label with nothing written on it.
- Lead your employees in a little synchronized chair dancing.
- Anytime someone asks you for

• business tips

something, ask them if they want fries with that.

- Carry a crayon instead of a pen.
- Hang mosquito netting over your office door. Whenever leaving your office, randomly slap yourself as if being bit by mosquitoes.

- Walk around the office carrying a baby bottle filled with coffee.
- Wear flippers instead of shoes.

Okay—so doing some of these may cause your employees to worry about your sanity. But I do want to encourage you to add some humor to the office. Laughter is good for you and your employees.
