String band will perform on Sunday at Hoxie

The Alferd Packer Memorial String Band will perform at 2 p.m. (Mountain Time) on Sunday at the Hoxie High School Auditorium. The show is part of the Western Plains Arts Association programs. The band performs a lively, engaging stage show that involves the audience and includes their own musical traditions. 1870's costuming and raucous humor compliment these accomplished musicians' performances of old-time string band, bluegrass and

American folk music. The Alferd Packer Memorial String Band consists of five multi-instrumentalists singing and playing fiddles, banjo, guitars, mandolin, hammered dulcimer, accordion, bass, shotgun and washboard. Their infectious good humor and high energy leave no toe untapped. The band takes its name from the gold prospector/guide turned cannibal Alferd Packer. Packer was the only American ever convicted of cannibalism. In the fall

of 1870, five miners in Alferd's charge headed for the Colorado gold fields. They ended up in Alferd's stomach! At the conclusion of the trial, the judge's exact words were, "Alferd Packer, you voracious man-eater, there were only seven Democrats in Hinsdale County, and you done et five of 'em". Admission to this performance is by season ticket or at the door, adults, \$10, students, Kindergarten through 12, \$5.

Meet and greet planned

A special meet and greet with School Board and City Commissioner candidates is planned from 7-9 p.m. on Monday, at the High School auditorium the night before the election. This event will help the voters of Sherman County become better acquainted with the candidates for School Board and City Commissioner, said Ken Klemm of the High Plains Constitutional Society, which has organized the event. Klemm said each candidate will have three minutes to answer three advanced questions. He said there should be time for a question and answer period to follow. Advance questions for School

Board candidates are:
1. What do you feel are your three most valuable qualifications you could bring to the School Board?
2. Should you be elected, what is your vision for your term as School Board member?
3. What do you feel the proper role of a school board member is in providing a quality education for the students of our community?
Advance questions for City Commissioner candidates are:
1. What do you feel are your three most valuable qualifications that you could bring to the City Commission?
2. Should you be elected, what is your vision for your term as a City

Commissioner?
3. What do you feel the proper role of city government is? Please explain.
The event will wrap up with a meet-n-greet, he said. "We've encouraged candidates to stay for this time to allow folks to chat and pose further questions voters might have." All of the candidates were invited by registered mail. Some of the school board candidates have indicated they will be out of town, and the city candidates hope it is a short city commission meeting on Monday, or they may be late making it to the auditorium.
