Congratulations to team for Science Olympiad win!

Goodland Science Olympiad team second at state tournament in Wichita

The Goodland High School Science Olympiad team earned a second place trophy at the state tournament held at Wichita State University on Saturday. Fifteen students from Goodland helped the team earn its highest ever finish at state in the small school's division, school's under 1,000 students. Goodland finished seventh out of 30 teams for a school best. Team members included (Top row) Chantel Coates, Parker

Sieck, Garrett Geist, Jarod Lake, Jason Cowan, Michaela Garrett, Ian Bonsall, Tanner Jones, Cortney Cowan, Brianna White, Brooke Lockhart, Carly McCracken, Berkley White, (Bottom Row) Caleb Fugleberg, Nick Thomas, Hazen Deeds, LeRoy Prine, Day Waugh, Kayler Rietcheck, Coach Brian Coon, and Coach Jeff First.

Team plans demonstration on April 25

Brian Coon and Jeff First coach the Science Olympiad team, and invite interested community members to attend a Science Olympiad Showcase from 6:30 to 7:30 p.m. on Monday, April 25, in the high school auditorium. On that evening, the team members will demonstrate and describe some of their events for the community.

At the state tournament, five building events earned medals with finishes in the top 10 overall. In written events, Goodland won seven medals, including overall state champions.

Nick Thomas and Jason Cowan were silver medalists and placed second overall in sumo bots, Caleb Fugleberg and Berkley White competed in helicopters, and earned a silver medal and placed fifth overall. Fugleberg and Garrett Geist competed in "sounds of music" and finished fifth overall, earning a silver medal in small schools. In towers, Tanner Jones and Thomas built a 19.75 gram tower that held 15,000 grams and earned a silver medal with a

seventh place overall finish. Mission Possible is an event that requires students to build a Rube Goldberg type machine. Parker Sieck, Geist and Fugleberg made a machine that finished sixth overall and was a bronze medalist.

In Forensics, Michaela Garrett and Carly McCracken finished first in small schools and first overall. Garrett, LeRoy Prine and Jared Lake competed in protein modeling earning silver medal and sixth place overall. Microbe Mission, was competed in by Garrett and Chantel Coates. They earned a silver medal and seventh place overall. McCracken and Fugleberg earned silver medals in dynamic planet. Anatomy and physiology was competed in by Day Waugh and McCracken. They earned silver medals and ninth place overall. Prine and Geist were bronze medalists and fifth overall in fossils. Garrett and Waugh competed in Ornithology, and earned third place in small schools and were sixth overall.

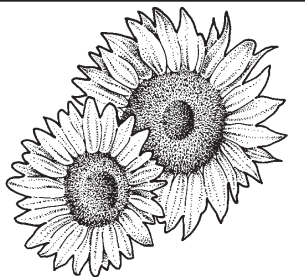

Goodland Ambassadors and a large crowd of supporters were on hand for the Goodland High School Science Olympiad team send-off on Friday as the team members prepared to board the bus for the trip to Wichita.
