Life would be wonderful if QuickBooks would just do ...
Did you know that you can make product suggestions to QuickBooks right from the program?
Click on the Help menu, Send Feedback Online, then Product Suggestion.
The QuickBooks development team actually monitors

and reads every suggestion sent. Many of the changes and improvements to the program come from users just like you.
P.S. Don't suggest "do laundry and cook supper." While the developers believe that would be wonderful, it is not on their action list at this time. Bummer!
