Music students to sing, play solos

Goodland High School junior and senior music students will perform their regional and state music solos at 7:30 p.m. on Sunday at the First Christian Church, 711 Arcade. Everyone is invited to come and listen to the students. Refreshments will be served.

The concert sponsored by the Goodland Federated Music Club is in observance of National Music Week. Music Week is observed each year during the first week in May, Sunday through Sunday. This is the 87th year for the observance which was begun by Charles Tremaine

in 1924.

This year's theme "MUSIC... An Instrument of Universal Expression" encourages us to explore the far-reaching effects of music in our lives and to discover the added dimensions it can bring to the world today.

Music has been important throughout history. It exerts a strong influence on our everyday lives and has become a powerful means to deepen our worship, express patriotic fervor or to add a joyous atmosphere to happy occasions.
