Cowgirls basketball camp next week

Cowgirls Coach Andy Scheopner is looking for girls in first through seventh grade to be part of a basketball camp beginning on Monday and running through Friday.

"To accomplish great things, we must not only act but also dream," Scheopner said, "not only plan but also believe. I believe it is important to get girls in the gym when they are young because it makes you better when you get to high school."

Scheopner said the girls will work on the fundamentals, have contests and games and have a lot of fun during the camp.

"If you are interested in being a basketball player this is a great opportunity," he said.

The schedule for the camp will be girls in first and second grade from 8:30 to 9:30 a.m. Those in third, fourth and fifth will be from 9:45 to 11:45 a.m. The sixth and seventh

grade girls will be from 1 to 3 p.m. The camp runs Monday through Friday.

For information and to sign girls up contact Coach Scheopner (785) 899-5462, (785) 890-6558 or (785) 821-0299.

Here's How It Works:
Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
