

Lots of great Podcasts available for free

I love podcasts! There is so much available for FREE!

Right now I have downloaded a TEDTalk about work-life balance, a QuickBooks podcast on Merchant Services, a couple Dave Ramsey Shows, a Brain Science podcast on the power of play to enhance creativity in business and a couple LOTE broadcasts.

If there is a subject you'd like to know more about, there is a podcast or two or a hundred available

for it.

If you don't have an ipod, iphone, or ipad, you can still listen to podcasts using your computer. Go to www.apple.com/itunes and download itunes for free. Once you have

itunes, you can click on the itunes store and search for whatever topic you'd like to learn more about.

As a business owner, you can't easily "go back to school," but you can continue to learn and grow. Podcasts are a great way to do that, and you won't even need to apply for financial aid.

This tip was brought to you by Western Kansas Business Consulting, sponsored in part by Sherman County. We offer free and confidential business consulting to Kearny, Scott, Sherman, and Wichita counties.
