Candles for Gage

The first candle is for our grief. The pain of losing you is intense. It reminds us of our deep love for you.

The second candle is for our courage, to confront our sorrow, to comfort each other, to change our lives for the better.

The third candle we light in your memory for the times we laughed, the times we cried, the special times we had with each other, for the silly things you said and did, for the caring and joy that you gave us.

The fourth candle we light with love in our hearts for you. Your light will always shine.

As we enter into this time of remembrance with our family and friends, we cherish the special place in our hearts that will always be reserved just for you.

We thank you Gage for the joy your life brought to each of us.

We Love You
We Remember You
