

Second annual youth track meet sets new records

The Goodland Youth Track Club held the second annual youth track meet on Saturday, and had many new records set and had an increase in participation.

Goodland Coach Kent Teeter said he was pleased to see the increase in young participants, and said he wants this to be a fun time for the kids.

Young people from Goodland and surrounding town were at the Goodland High school track for both field events early in the morning and track events later in the morning.

The weather was hot and sunny, and the parents and youngsters were encouraged to drink lots of water to stay hydrated during the events.

An example of the new records was in the tennis ball where the record last year was about 49 feet, and on his first throw Logan McCarty of Bird City, had 75 feet 7 inches.

The participants were broken up into six groups including Bantam, kindergarten and below; Group 1, Grades 1 and 2; Group 2, Grades 3 and 4; Group 3, Grades 5 and 6; Group 4, Grades 7 and 8; and Group 5 High School.

Goodland Youth Track Club Track Meet Results

(* Designates a new meet record.)
