## Cowboy fans asked to wear pink

Be a part of "Cowboys for the Cure" by wearing pink to the Goodland High School varsity football game at 6 p.m. on Thursday, Oct. 27, at Cowboy Stadium and help support breast cancer research.

Aportion of the proceeds from the ticket sales of the game along with T-shirt sales and other fundraising activities at the game will be donated to the Susan G. Koman for the Cure Foundation.

Smitty's Sports and Goodland High School are currently taking orders for the official Cowboys for the Cure T-shirts until Friday. The T-shirts will be available on Wednesday, Oct. 26, in time to wear to the game Thursday night. T-shirt prices range from \$10 to \$16.

The first 300 fans will receive pink rally towels at the game. And all fans attending are encouraged to wear pink to cheer on the Cowboys at their last home game against Thomas More Prep of Hays.

Several high school organizations will also trade their school colors for pink. The high school football team and coaches will be wearing pink along with the cheerleaders and band members. The high school art club will offer pink face painting and other organizations are planning pink-related fundraising activities.

Event organizers have received permission to paint the streets surrounding the stadium pink.

Thursday through Sunday Mostly clear. Highs in the upper 60s to low 70s. Lows in the 40s. (National Weather Service) Get 24-hour weather info. at 162.400 MHz. \* Readings taken at 7 a.m.

### County to take bids on three pickups

#### By Tom Betz

nt.betz@nwkansas.com Sherman County commissioners decided on Tuesday to take bids on two three-quarter ton pickups and one half-ton pickup for the county road and bridge department.

County public works supervisor commissioners. Butch Vandiver was at the meeting to report on his research about buying pickups through the program the Sherman County Sheriff has been is getting, Vandiver said county using the past few years. Vandiver said he talked to Sheriff are being great about bringing the Kevin Butts about the program and tarps in on slow days. He suggested found it a program only for law enforcement, and the county cannot use it for other vehicles. He asked the commissioners if they wanted him to get bids from ing, Vandiver said the charge is the the three local dealers. He said he is looking to replace three that all have about 180,000 plus miles. The two in the field are three-quarter ton and the one he is driving is a half-ton and the oldest one in the department. Vandiver said the two 1997 pickups are eating up parts. Linin said they should look at getting three. After some discussion, commissioners agreed Vandiver will get bids.

• Vandiver said he had a meeting on the landfill with Mark McMullen of American Environmental Consulting, LLC and the state Department of Health and Environment inspector. He said McMullen would like to discuss the landfill with the

Strnad suggested he come on Monday, Oct.31.

• On the tarps the transfer station

Corn — \$6.13 bushel Posted county price — \$6.62 Milo — \$5.85 bushel Soybeans — \$11.31 bushel Posted county price — \$11.89 Millet — \$11.50 hundredweight Sunflowers Oil current crop — \$28.15 cwt. Confection — no bid

Pinto beans — \$28 (new crop) (Markets by Scoular Grain, Sun Opta, Frontier Ag and 21st Century Bean. These may not be closing figures.)

In other business:

workers are baling and the elevators the commissioners raise the rates on tarps because it is taking everyone out there to deal with them.

Asked what the county is chargconstruction and debris rate.

"Our people are having to do a lot of hand work on each tarp," he said. "We don't want to make it hard on the elevators, but we need to be able to handle these."

He said they have 13 bales of tarps, and the "recycling lady" in Hays is trying to find someone to take the bales. He said she has several counties with tarp bales and
