prairie, habitat fragmentation, and degradation of habitat on both private and public lands.

By improving their habitat, ranchers are working to ensure that future generations of Americans will be able to experience these remarkable birds. Plus, the conservation activities implemented as part of the initiative help protect soil, water, and plant resources – leading to the improved productivity and sustainproducers.

'Many expired CRP fields are feasible to graze but lack adequate Wildlife Habitat Incentives Pro- Service will jointly prepare species fencing and water," said Banks. gram has helped farmers and ranch-"The Working Lands for Wildlife ers install approximately 115 miles

nancial assistance for implementing around Conservation Reserve Program acres to prevent conversion to cropland.

 $For 14\,years, the\,Wildlife\,Habitat$ Incentives Program has worked to protect, restore, or develop fish and wildlife habitat for many species, including those considered at-risk. Since 2003, about \$310 million has been committed to 23,000 farmers, have been approved in 105 contracts ranchers, and landowners to provide to provide improved habitat and to wildlife treatments on four million

agreements, safe harbor agreements, and habitat conservation plans to provide regulatory certainty to landowners. The goal is to have these tools in place for all priority species within the next seven months with the intent to continue this targeted species recovery work beyond this year. The seven species initially selected for this expanded campaign are: New England cottontail, bog turtle, golden-winged warbler, gopher tortoise, greater sage-grouse, lesser prairie-chicken,

Stop Colon Cancer Now

Preventable Treatable Beatable

Colon cancer is the second leading cancer killer in Kansas, but it doesn't have to be. If you're 50 or older, get screened for colon cancer. For more information and to learn about screening tests, call or visit our website. Screening saves lives!

New treasurer chosen Thursday

TREASURER, from Page 1

Medical Center, where she still works today.

McCord works with patient accounts and collections at the hospital, handling billing, collecting payments, posting money and balancing accounts. She also serves as treasurer for a local Girl Scout

The third candidate, Abbi Spresser, currently works at People's State Bank. Originally from Atwood, Spresser also came to Sherman County to attend college.

Spresser said her duties at the bank include balancing the drawer using several types of reports and working with investments. She said she often works with the county treasurer's office.

Spresser said she works well with

people and has experience learning new software.

The committee then held a closeddoor session to interview each candidate. When they came back to open session, Schields asked for nominations from the floor. All three declared candidates were

Ballots were passed arounds and votes collected. With 22 delegates and proxies present, a candidate had to receive 12 votes to win. If no candidate got 12 votes on the first ballot, the one with the least votes would be dropped from the second ballot. Hall received more than 12 on the first ballot, so no other ballot was necessary.

Schields closed the convention. thanking each candidate for putting their names forward.

Fort Hays State offers music program in July

MUSIC, from Page 1

through listening and viewing

- Jazz Bass Class will improve electric or upright bass skills to accommodate the many jazz idioms. Campers must provide instruments and amps.
- In Jazz Improvisation, campers will experiment with "outrageous theory training and want to dive ideas" and gain comfort performing on their own instruments. Sections are open for saxophone, trumpet and
- Campers will learn chord changes and voicing to play with lively jazz combos in Jazz Piano.
- Musical Theatre is for campers who enjoy being part of a production. Class members will collaborate to produce a Broadway musical
- Rhythm Fundamentals will improve counting and rhythmic skills as applied to all styles of music. All first-year and sixth- and seventhgrade campers are automatically camp@fhsu.edu. enrolled in this class.

- Sight Reading allows campers to learn sight reading skills to make learning new music easier for solos and ensembles.
- Theory and Ear Training helps with hearing and identifying melodies, intervals and chords and discovering how music is composed. • Theory 2 is for more advanced
- deeper into the subject. · High school vocalists who want to learn International Phonetic Alphabet fundamentals and improve

students who have had previous

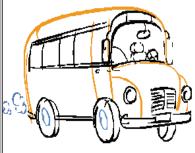

can enroll in Vocal Diction. Register online at www.fhsu.edu/ musiccampcamp.

English, Italian and Latin diction

The cost of the camp is \$495 for the full week. To participate as a day camper and not spend the night on campus, it is \$200. Noon meal cards are available for \$50 for day campers
