# Dallas Brass to play in Colby

On Tuesday, April 24, at 6:30 p.m. (Mountain Time) in the Colby High School Auditorium, the internationally acclaimed Dallas Brass will be performing as one of the final shows Western Plains Arts Association is bringing to you this spring.

Founded in 1983 by Michael Levine, the Dallas Brass has become one of America's foremost musical ensembles. The Dallas Brass concert, "American Musical Journey," incorporates a full

complement of brass and percussion for a musical travelogue through American history. From the time of George Washington to the present, music will be selected from the masters; Copland, Bernstein, Gershwin, Berlin, John Williams, Sousa and styles from Dixieland, swing, folk, patriotic and pop.

According to Levine, "a Dallas Brass concert is intended for the entire family. Our goal is to entertain and enrich by playing great music."

The ensemble includes: Michael Levine (director, trombone), D.J. Barraclough (trumpet), Chad Willis (trumpet), Juan Berrios (French horn, alto horn), Paul Carlson (tuba) and Sergio Carreno (drums/percussion).

The Dallas Brass has strong dedication to working with young musicians. They will work with students throughout the day and perform that evening. Admission to this performance is with season ticket or

at the door, Students K—12, \$10, and Adults, \$20.

As Western Plains Arts Association comes to a close for its 2011/2012 season, the final performance it sponsors will be the Bethany Handbell Choir on Sunday, April 29, at 2 p.m. (Mountain Time) at the Hoxie High School Auditorium. They will perform a variety of selections, both sacred and secular.

"It is good to see the kids recognized for all their hard work," said Jim Myers, Goodland drafting instructor. "The Goodland drafting team was lead by its seniors. I knew they would do well, but our freshmen really stepped up. We do not have a lot of juniors or sophomores on the team, so we had to rely on some young kids to get the job done. I was pleased with the results. The Goodland Drafting Team has won this contest three years in a row now."

The team will compete in the Western Kansas Technology Education Fair on the campus of Fort Hays University on Thursday and Friday, April 26 and 27.
