Series 2 of 3: Join our wonderful sponsors as they revel in the warming Spring weather and the creative freshness it brings along with it.

It's a new season and with that comes many quick fixes to make your home and outdoor space feel new again!

Dazzle with plants and flowers

Add some sparkle to your yard this year with some great flowers and plants. As long as you select a good variety for your area's weather conditions, the flowers and plants will prosper and bring your yard beautiful color.

Not feeling like a Master Gardener just yet? Try a container garden! You can use anything from just an assortment of flower pots to....get this....rain boots! Just nail them to the fence in a pattern and fill with potting soil! VOILA! Instant container garden!

However you want your garden to look, Designs Unlimited, LLC will be there to help every step of the way. An abundance of garden advice (and don't forget the plants and flowers!) will be at your fingertips once you step inside.

Your complete lawn & garden center!

Defeat that dreaded garden nemesis

OH NO! A weed popped up overnight? Dandelions acting like your overbearing neighbor? It's time to stop them in their tracks-before they bring their overnight bag.

At Shores Bumper to Bumper...wait...WHAT?? Bumper to Bumper, you ask? Yes, they are an auto parts store, but inside you will also find a great selection of the best supplies you need for those pesky invaders. From something as simple as gardening hand tools to big, manly outdoor power tools, you will find what you need at Shores.

So go ahead....do a little dance...Shores has you covered! Stop by today and say goodbye to those awful visitors! They won't stick around long with the great selection of gardening supplies you will find at Shores Bumper to Bumper.

Accessorize, accessorize!

Add some of your spunky personality to your yard this Spring. Whether you're an Ole' Pro Gardener or just starting to get your gardening wings, there are a wide range of accessories to add that pop to your lawn and garden.

You can add some functionality by installing pavers or a mulched walkway. These are a great way to add some beauty, also. Using hedges or the traditional fencing is a great way to add some privacy. Features such as garden fountains and statues add some much needed calming effect.

At Walmart, you have such a vast selection of accessories that it's nearly impossible to not find what you want. And with their "Always low prices" you're not going to break the bank.
