"I felt that our team did a fantastic job today," said coach Connie Livengood. "They played pretty consistent. Buffalo Dunes is a tough course with a lot of tall grass for rough and thick grass just next to the fairway cut of grass. The girls have been playing on our Sugar Hills course and it is very dry and then to go to a plush course, with lots of grass and the ball not rolling as far, played a big difference in their scores."

Emily Purvis shot a 101; Megan Siruta, 102; Cortney Cowan, 103; Logan Perryman, 104; Katie Hays, 107; and Dani Mangus, 118.

Next action for both teams will be two tournaments at The team scored a 410, two strokes behind third place 2 p.m. Monday at Colby and Russell. Coach Livengood said Goodland will have golfers at each tournament.

Here's How It Works:

savvy to the test!

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
