

# Eighth graders pick up another win

Grant Junior High eighth grader Kaitlyn Daise (left) went up for a shot during the Lady Mustangs' 41-18 win over Ulysses on Saturday at the Max Jones Fieldhouse. Kelsey White (below) lined up for a free throw in the second quarter. White sank several free throws during the game. The seventh grade team also played Ulysses on Saturday, losing 25-13.

The eighth graders improve to 5-0 in the Great West Activities Conference, with wins over Colby, Holcomb, Oakley and now Ulysses. The seventh graders fall to 3-2. They beat Oakley twice and Colby once earlier this season while losing to Holcomb and Ulysses. The girls were scheduled to play Monday at Felton Middle School in Hays. Level: Beginner

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

*Here's How It Works:*  
Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
