## Cell phone calls leave teen sleep deprived

son fell asleep at the wheel of his car this morning on his way to work. He was driving on the expressway, and his car traveled about 80 feet into a wide median, narrowly missing several large obstacles. He's lucky to be alive; his car was to-

My son fell asleep because he

## abigail van buren

dear abby

DEAR ABBY: My 19-year-old making and receiving a lot of latenight phone calls. This morning, after the car was towed, we went over his cell phone records for the EYES WIDE OPEN IN N.Y. past month and learned that he hasn't gone more than three hours full month without a good night's

was tired. We knew he had been They are discovering the same bly, they could have cost him his leaves me home alone to go out you arelationship with your father, simple: It's insecurity.

thing. Because evenings and weekends are free on many cell phone plans, the kids take full advantage. So they call, and call, and call.

A sleep-deprived driver is as dangerous as a driver who's talking on a cell phone, probably even more so. Parents: Teach your kids to skip the late-night phone calls so they can survive their next drive.

DEAR EYES WIDE OPEN: I hope parents and teens will pay atwithout receiving a call! That's a tention to your letter. Evening and weekend minutes may have been free on your son's calling plan, but We have contacted other parents. because he didn't use them sensi-

While young people today have become adept at multi-tasking, one fact remains constant: People need a certain amount of sleep in order for their minds and bodies to function properly. Lack of sleep can adversely affect a person's physical and mental health. Sleep deprivation adversely affects not only our reflexes, but also our mental health and our immune systems. This is something we can control. When staying "connected" becomes an addiction, it's time to pull the plug.

DEAR ABBY: My mom is out with her boss, "Larry." She always quently as it appears you are. Have

with him. I don't think his wife goes an aunt or uncle, or your grandparwith them. Once my mom forgot I ents? If the answer is yes, please tell only had a half-day of school, and when I came home she was with him in her room. I went to the neighbors so she wouldn't know I had heard them. That night she left me alone again to be with him.

scared to be alone. — LATCHKEY KID, SEATTLE

DEAR LATCHKEY KID: Your You should not be left alone as fre-

them what you have confided to me and ask if you can stay with one of them sometimes. If you have no family nearby, talk to the mothers of some of your friends and ask if you can spend time at their house I can't sleep when I'm home when your mother is "otherwise alone, and I don't even like taking occupied." It's not the same as havshowers when no one is here. I am ing her to watch over you, but it would be better than what you've got now. You have my sympathy.

DEAR ABBY: My question is letter saddened me when I read it. simple: What causes jealousy? -ROBERT IN CONNECTICUT

DEAR ROBERT: The answer is
