**LET FREEDOM RING! CELEBRATE
INDEPENDENCE DAY**

What does it mean to be an American? To me it means having rights no other country has. We have the right to choose what we want to be when we get older. I like living

in the U.S. because I don't get judged on my religion or what color my skin is.

Brian Sproul

Freedom to me is having the option to express individuality. The ability to sleep at night without being afraid, being able to decide what you want to do in life. Having

the choice of speaking your mind without being quieted. Choosing the person that you want to lead for your country.

Aaron VanDerWege

Being an American means a lot of things to me. You can go to other countries and look around and you can tell that they are not in as good a country as ours. Freedom

means many things such as speech, clothing, personality. But being an American is great.
