

Andy Nickell (above, left) tries to encourage Carlie Voss to get into a seat on the mini-Ferris wheel. Cody Nickell and Lexi Voss (right) already think the ride is just fine. The mini-Ferris Wheel is one of the four new kiddy rides to debut at this year's Norton County Fair. The Nickell brothers and the Voss sisters (below) load up on the new Tubs 'O Fun ride with the help of Amusement Association president, Mick Miller, and vice president, Curtis Eveleigh.

Fair offers new kiddie rides

Four new rides for the younger set will make their debut at this year's Norton County Fair and Home-Owned Carnival.

Mick Miller, president of the community service organization that oversees the carnival, said that the new rides include a kiddie Ferris wheel, Tubs of Fun which is a spinning ride, an eight-armed mini-jet with cartoon character seats, and a tram ride.

The Rug Rat theme of these rides is among the top selling kids rides.

Mr. Miller said that the Amusement Association invested more than \$40,000 in insur-

ance, prizes and the new rides.

Mr. Miller and Curtis Eveleigh, vice-president of the organization, thanked all of the community volunteers who work so hard to make the carnival a success and for the help they get from the City of Norton and Norton Correctional Facility.

Other board members include Deanna Nelson, secretary, Deb Eveleigh, treasurer, Cindy and Calvin Wright, Jim and Cindy Voss, Jeannie and Dave Wolf and Warren Harting.
