

Fun, fireworks mark celebration of Labor Day

The crowd of 2,500 in attendance enjoyed another fantastic fireworks display as the finale of the 28th annual Labor Day Celebration on Sunday in Logan.

Lexi Voss, daughter of Mr. and Mrs. Jim Voss, Alma, was one of many youngsters who enjoyed the water slide, which was supervised by the Catholic Youth Organization of Logan.

Lawrence "Sonny" Ruff (left) was one of many volunteers assisting in the Logan Chamber of Commerce food stand. Ruff is also the veteran fire chief of the Logan Fire Department. He and his firemen were on hand in the evening as a precautionary measure during the fireworks display. Jim Schmidtberger (above) had more fun than anyone as he rocked and rolled with his band, "Jimmy Dee and the Fabulous Destinations" as he "belted out" tunes from the 50s and 60s.

The tenth annual Dane G. Bales Jr. Memorial Car Show was another excellent event with 41 cars entered and representing a wide variety of antique vehicles restored to mint condition.
