| 2 — Lab Technicians | |

Everyone that is selected to work at Prairie Horizon will get six weeks minimum of on and off site training before ethanol production begins. Once production does begin an intensive on site training program will commence that will specialize each employee into their particular job skill. Job Descriptions will be discussed at the time of interview. Prairie Horizon expects their employees to become familiar with all operations of the plant. Each employee will be expected to fulfill whatever task is asked of them.

A full benefit package has been put together including but not limited to: Health Insurance, PTO, Bonus Programs, Cafeteria Plan, Disability Plan, Life Insurance, and others. A retirement plan is being developed and will be effective within six months of employment.

Prairie Horizon reserves the right to interview none or all of the applicants.

Prairie Horizon is an equal opportunity employer
