CARD OF THANKS

WE WANT to say thank you to everyone who has helped us over the last 3 years and especially the last nine months. Without the help we would not have made it. We wish there were words that would really express how much everyone's kindness meant to us. "Thank you" will have to do. Ruth and Dennis Brown

Almena City Water Improvements

Published in The Norton Telegram on Tuesday, April 25, 2006. (1T)
EARLY PUBLIC NOTICE
The City of Almena, Kansas is proposing to make water system improvements. The improvements will include the replacement of water well No. 5 with a battery of four water wells and a ground storage tank located 5 miles south of the city, the construction of 6" and 10" transmission line north to town, a chlorination station, the elimination of the existing storage tank on the south end of town, and the looping of existing water mains within the west end of the town from Pratt Avenue and County Road south along County Road to Mills Street, then east on to Mills Street to Sanborn Street. A portion of the project will be in or run through <1 acre of the 100 year floodplain. The City is interested in discussing alternatives to this project and securing public perceptions of possible adverse impacts that could result from the project and possible mitigation measures. Please send written comments to City of Almena, PO Box 227, 415 Main, Almena KS 67622. Comments will be accepted until May 10, 2006.
Honorable Gerald D. Wilson Mayor, City of Almena
