Youngsters take to the pool

By VERONICA MONIER

Since Memorial Day weekend kids and parents have been enjoying the cool blue waters of the Norton Swimming Pool.

Pool manager Jill Lively said the swimming season has gotten off to a good start since it opened Monday.

"The first day was really busy," she said. "We had to close early Tuesday because of the weather, but Wednesday was a good day too."

Mrs. Lively said the pool will be open Monday through Thursday, 1 to 5 p.m.

and 6:30 to 8:30 p.m., and Friday through Sunday, 1 to 8 p.m.

To get in to the pool, swimmers have the option of buying a \$1.50 day pass or seasonal passes at \$30 for a single person or \$75 for a family. Or, she said, they can buy a 20-punch card for \$20.

Cheri Brooks will be holding swimming lessons again. Enrollment for lessons will be tonight from 5 to 7 p.m. at the shelter west of the pool and on Saturday from 9 a.m. to noon. There will be a \$5 fee. (Continued on Page 5)

431 miles; Bill Goscha (Walkabout) 339 miles; Greg Plum (2006 Jolly Walkers) 294 miles; Alice (TopsyTurvy) 275 miles and Joyce Lofgreen (Walkabout) 271 miles.

Another feature of 2006 Walk Kansas was to encourage participants to keep track of the number of servings of fruits and vegetables which they consume on a daily basis. Representatives of BCI, also known as Connoisseurs World Wide, and the president of Sardo Bus and Coach Upholstery met with Decatur County commissioners, Oberlin city officials, Jennings City Council members, county economic development personnel and others at The Gateway on Tuesday, trying to revive a plan for BCI to set up a bus-outfitting plant and a refurbishing facility for coaches, both bus and train.

The company had planned to buy the Jennings school and use it as its headquarters. However, the firm said it needed an airstrip to land its company planes and jets
