Business picks 20 students

Rural Telephone and Nex-Tech will sponsor 20 area students to attend the Kansas Youth Leadership Academy camp at Fort Hays State University in June. The Leadership Academy is a statewide, comprehensive, and all-inclusive program designed to promote youth leadership development.

Students who registered through Rural Telephone or Nex-Tech's websites were entered in a drawing from which 10 middle

school students and 10 high school students were randomly chosen to attend.

Savannah King, Long Island was one of the area middle school students selected.

The area high schoolers selected included Emily Scott, Norton.

Highlights for campers include the opportunity to gain new skills and experiences in workshops, meet other student leaders from across the state; improve goal setting and problem solving skills.

**Join us for the

Ag Valley CO-OP
Thank you for supporting your Coop. We hope to see you at the Annual Meeting!
Conveniently located to serve our producers

Ag Valley Patrons

To better serve our Ag Valley patrons, we will be upgrading our Norton feed mill to better service our bulk customers.

During this time, we ask that our customers call one week in advance with your feed needs. This will allow ample time for us to provide you with the best products and service available in the industry.

When our new system is up and running, we will be manufacturing and mixing feed on Monday and Friday only. We will add manufacturing days as production increases. Please call ahead to schedule your bulk feed deliveries on these days. All bagged feeds, mineral, and salt is available Monday through Friday 8-5 and Saturday until noon.
