### CARD OF THANKS

#### ~ Thank You ~

How can one express how they feel regarding the support from family, friends, neighbors and the community we have received since the death of our son, when thank you falls so short? This ordeal has really been a shock to our family, as well as it has been a shock to see how everyone has supported and helped us. It is truly unreal, and has helped us cope with our loss greatly. We couldn't have done it without you! At the funeral service, my wife and I were mostly smiles. All we had to do was look around at the packed gym and we were blown away at how blessed we are to have so many people who care and that our son had touched so many lives. Thank God we live in the area we do, not just the city of Alma, but this whole area of small communities is an awesome place to live and raise our children. We would like to give special thanks to the friends and his sister, and nearby campers for trying to help that day, along with the Norton County Sheriff's Dept., Wildlife and Parks, Plainville rescue divers, Dr. McKinley, ambulance crew, and others for staying there to make sure my son was found. Also, thanks to the staff of the Norton County Hospital, High Plains Mental Health, and the Red Cross for taking care of the 50+ people who overwhelmed you while waiting for news. Thanks to the pastors and Enfield Funeral Home for making this easier for us. Thanks to Norton Shop and Save, Pizza Hut, Terry and Sara Nelson and all the others who helped keep us with food and drinks. If we have forgotten to list everybody, please know we thank you all! To the staff of Northern Valley Schools, you have been great and we deeply thank you all. We would also like to thank all of the media that covered this, for if it only makes one person think twice about being a little more careful and saves a life, I know our son would be very pleased! THANK YOU EVERYONE!
