

Congressman taking applications for interns

Congressman Jerry Moran told *The Norton Telegram* that he is accepting applications for congressional internships in his Washington, D.C., Hays, Hutchinson and Salina offices for the spring 2007 term.

"My own interest in public service was sparked by an internship for First District Congressman Keith Sebelius in 1974," Congressman Moran said. "As an intern, I was able to see firsthand how a congressional office operates and how the legislative process works. These same opportunities are available to Kansans who intern in my congressional office."

The goal of the congressional internship is to give young adults the opportunity to participate in public service, Rep. Moran said. Applications for the summer are due by Nov. 20. Intern responsibilities include assisting Congressman Moran and his staff with legislative and administrative

projects. The spring internship session begins in January and ends in May.

To apply for an internship, students should submit a completed application form, cover letter, résumé, college transcript and three letters of reference. The cover letter should explain their interest in public service and the goals they hope to achieve by participating.

Application forms can be obtained under the Services section of the congressman's website at www.jerrymoran.house.gov.

In order to ensure timely receipt of the application, students are encouraged to fax their applications to (202) 225-5124.

If students are unable to fax their applications, they may mail them to Congressman Moran's Hutchinson office, Attn: Intern Coordinator, P.O. Box 1128, Hutchinson, KS 67504. Students may call (202) 225-2715 with questions or to obtain more information.

Acrobatic magic...

Bending her body like a pretzel, (above) this contortionist with the Fabulous Chinese Acrobats amazed the audience with her flexibility. Balanced on a unicycle (right) this acrobat added to the difficulty by flipping bowls with her foot and catching them on her head. The acrobats' performance was sponsored by the Norton County Arts Council and Unified School District No. 211.
