In good hands...

Both cars involved in an accident late Tuesday afternoon at the intersection of Highway 36 and Second Street ended up on the corner lot of Sander Furniture. EMT Larry Land (above) rolled a gurney to one of the victims. Three people were transported to Norton County Hospital. One of the accident victims had her head held in place by Emergency Medical Technician, John Hanlon, while Amanda Shannon took her blood pressure. Larry Land immobilized her arm.

Ballots mailed for elections

Farmers and rural landowners in Norton County have until Dec. 4 to vote in local elections for the Farm Service Agency's county committee members.

Ballots were mailed last week to all eligible voters in the west onethird of the county.

Vesta Hobbs, executive director for the Norton County agency, said ballots must be filled out, signed and returned to the county office by Monday, Dec. 4 to be counted.

"It's important that producers sign theirballots,"she said. "Without a valid signature, the ballot doesn't count."

Eligible voters who have not received ballots can get them from their agency office.

The county committees make decisions on commodity price-support loans; payment eligibility; establishment of allotments and yields; conservation programs; incentive, indemnity and disaster payments for some commodities; and other farm disaster assistance. The local county committee system gives local farmers and ranchers a much-needed say in how farm programs are administered at the grass-roots level.

For more information about the county office committee and the election process, interested people should contact the Norton County Farm Service Agency office by calling 785-877-5156 or by stopping by 10640 Pineview Dr. in Norton.
