Dear Santa,  
I would like a roboreptile for Christmas. This year I helped my family. I fed the horses and the cats and I helped clean my room. I also helped my sister find her things. I want another sea turtle and a robo elasmosaurus that can go in the water and under the water and that you can control and that does just the things that a roboreptile does.

Love, Anna

Dear Santa,  
I would like an electric guitar for Christmas this year. I would also like a karaoke machine, a pick for my guitar, and an amp for my guitar. I have been good. Have a Merry Christmas!

Cody Burns
