CARD OF THANKS

WE WANT TO say Thank You to everyone who responded to our medical emergency at Monte's house. The ambulance crews quick response and care was very much appreciated and the hospital care was the best! Thanks and God Bless. —Bob and Bernita Jessup and Monte Jessup 1/12

WE WOULD LIKE to express our deepest gratitude for all the prayers, thoughts, love, support and cards that we received through our most difficult time. It is a wonderful feeling to have so many people from so many communities come together and give a family the support like we have gotten. We would like to thank all those who helped with, attended, or sent cards for the benefit held for us by the St. Joseph's Parish in New Almelo. Most importantly we would like to thank everyone for the prayers we have received and continue to receive. We also need to thank everyone for the help around the house that we received while we were in and out of town. A person never knows how important love and support from their friends and family really is until they are put into a situation where they are totally surrounded by it. Once again, thank you for everything you have done, it is greatly appreciated. — Sincerely, Dustin, Tonya, Nolan, and Ella Juenemann 1/12
