Norton County Weather - February 20th - 24th

Tue	Wed	Thu	Fri	Sat
45/25	50/28	53/30	55/28	35/25

Normal High: 47

 Sunset: 6:22 to 6:27pm

Finally a warm-up that will put a dent into the snow field that's been whiting our landscape since Christmas! Temperatures in the upper 40's and low 50's this week should do the trick. The funny thing is that these temperatures will feel like a major heat wave, but are actually normal for this time of the year. The next two storms systems over the weekend and early next week show a track more to the north and east with rain and snow. We could see some moisture, but nothing out of the ordinary.
