## Norton grad track success at Wichita

 Former Norton Community High School track star Jared Foley is a senior at Wichita State University where he has been chosen 2007-2008 captain of the Shockers track and field team.

Jared Foley

Although a senior academically, Jared is a junior in eligibility due to a medical red shirt last season when he fractured an ankle prior to the season and did not run either indoor or outdoor.

He proved last month during fall testing for the squad that he is in excellent physical shape for

this season. In the 30 meter fly where runners are timed for 30 meters from a running start, he was clocked in 2.95 seconds, the fourth fastest time in Wichita State University track history!

In the 30 meter accelerate test from a three point stance, he was timed in 4 seconds flat which equates to a 4.4 in the 40 yard dash.

In the 300 meter run, he was closing in on a school record when he pulled a ham string and had to stop. Two weeks later, he was back on the track in excellent condition.

Looking forward to this season in both indoor and outdoor competition, Jared remained in Wichita this summer to train.

"I had a really good training program and a good nutrition plan this summer and I feel that I'm 100 percent now," said Jared.

"I'm excited about the upcoming season and hope to run a high 46 second 400 meters outdoors this season."

Following an intersquad meet in Wichita on Friday, Dec. 7, the Wichita State Shockers' indoor season will officially open in the Kansas State University All-Comers Meet on Saturday, Dec. 8 in Manhattan.

Jared is the Norton record holder in the 400 meter dash with a time of 49.6 and has run a low 48 in college.

He expects to run the 400 meter dash, 200 meter dash and 4 x 400 meter relay indoors and run all of them in addition to the 4 x 100 meter relay outdoors.

His sophomore season, Jared earned All-Missouri Valley Conference honors as a member of the 4 x 400 meter relay team which placed third in the out-

door conference meet in 3:15.09. When he was a freshman, he won All-Conference honors when he ran on the Shocker 4 x 400 meter relay team which was second in the league outdoor championships in 3:11.46.

While running for the Norton Blue Jays his senior year, he placed second in the State Track Meet in the 200 meter dash and was named the Most Valuable Track Athlete for the season.

Jared was also named to the Missouri Valley Conference Academic Honor Roll for 2006-07, which recognized his academic achievement as a student-athlete. To qualify for the honor roll, a student-athlete must have recorded a minimum 3.2 grade point average while participating in athletics.

Jared is majoring in sports management. He is the son of Anna and Craig Foley, Norton.
