NOTICE OF HEARING ON KANSAS DEVELOPMENT FINANCE AUTHORITY AGRICULTURAL DEVELOPMENT REVENUE BONDS

A public hearing will be held on the 18th day of December 2007, in the offices of Kansas Development Finance Authority, 555 S. Kansas Avenue, Suite 202, in Topeka, Kansas at 9:00 a.m., or soon thereafter, on the proposal for the Kansas Development Finance Authority to modify its Agricultural Development Revenue bond for the Project(s) numbered below, in the respective maximum principal amounts. The Bond(s) will be issued to assist the respective Borrower (the "Beginning Farmer") named below (who is the owner and operator of the respective Project) to finance the cost in the amount of the Bond, which is typically purchased by a lender bank ("Lender") who then through Kansas Development Finance Authority, loans the bond proceeds to the borrower for the purposes of acquiring the respective Project(s) as described below. Each Project shall be located as shown:

Project No. 000378 Maximum Principal Amount: \$135,000.00. Owner/Operator: Craig R Renner; Description: Acquisition of 320 acres of agricultural land and related improvements and equipment to be used by the owner/operator for farming purposes (the "Project"). The Project is being financed by the Lender for Craig R Renner (the "Beginning Farmer") and is located at Sections 18 & 19, Orange Township, Norton County Kansas, approximately

6 miles South on Highway 83, 3 miles West on county road L and 3 miles South on county road 14 from Norton, Kansas. The modification sought at this time involves decreasing the interest rate and extending the life of the bond.

Each Bond when issued, is a limited obligation of the Kansas Development finance authority and will not constitute a general obligation or indebtedness of the State of Kansas or any political subdivision thereof, including the Authority, nor will it be an indebtedness for which the faith and credit and taxing powers of the State of Kansas are pledged, but each Bond will be payable solely and only from amounts received from the respective Borrower, the obligation of which will be sufficient to pay the principal of, interest and redemption premium, if any, on each Bond as and when it shall become due.

At the time and place fixed for the hearings, all individuals who appear will be given an opportunity to express their views for or against the proposal to issue any specific Bond for the purpose of financing the respective Project, and all written comments previously filed with the Authority at its offices at Suite 202, 555 S.
