Lary Stull, former principal at Norton Community High School, was the keynote speaker at the induction ceremony for 15 new members into the Norton Chapter of the National Honor Society. The ceremony was held March 12 in the high school gymnasium named after Mr. Stull.

He said he heard one student say, "Look out, the old man is back." And, indeed, he was back. But, only to share some encouraging words with the young scholars.

Mr. Stull quoted Forrest Gump by saying, "Life is like a box of chocolates. You never know what you'll get."

He added that every person born has the ability to make the world a better place.

He challenged the students to consider the motto "Work Hard or Hard Work" and to always move toward quality.

Mr. Stull was accompanied to Norton by his wife, Peggy.

Mirla Coleman is the Honor Society advisor.
