

Logan: Drill Team a highlight

(Continued from Page 1)

members who were not present at Logan are: Jena Swisher, Hollie Runnion, Roberta Quanz, Shayne Runnion, Ellen Runnion, Joni Hilburn, Mandy Redeker, Barb Redeker, Whitney Mulder and Denise Hartzler.

Another highlight was the afternoon performance of the Buffalo Soldiers Drill Team from the Nicodemus area.

"Their patriotic performance was very informative as to the role that the Buffalo Soldiers played in the Civil War and the reasoning behind their name Buffalo Soldiers," said Hendrickson.

Current members of the drill team are Barrie Tompkins, Curtis Clark, Raymond Clark, Ron Reese, Wallace Clark, Roger Clark, Jay Clark and Randy Eden.

The Nicodemus Buffalo Soldier Foundation was created in 1996. The drill team has traveled around the country honoring black soldiers of the 9th and 10th Cavalry Divisions while educating the public.

The black soldier was named the Buffalo Soldier by the Plains Indians. The soldiers were instrumental in subduing outlaws, Mexican revolutionaries and hostile Indians. They protected settlers and Native Americans alike, wagon trains, stagelines and mail routes, particularly in the 1870s.

In recent years, the Nicodemus Buffalo Soldier Association has hosted a number of fund raisers to help people with medical expenses. Donations received at their annual rendezvous and at the benefits they sponsor support the NBSA's ongoing charitable and educational efforts.

After the Buffalo Soldiers' performance, people were invited to visit with them and pet their horses.

The day began with the ecumenical church service at 8 a.m. sponsored by the Logan Chamber of Commerce. Pastor Troy Buss of the First Christian church, delivered the sermon. The service was well attended. As the evening finale, Rainbow Fireworks from Inman presented another fantastic fireworks display which was enhanced by the playing of patriotic music.

As always, the Logan Fire Department, under the direction of longtime chief Lawrence "Sonny" Ruff, was on hand to make sure there were no grass fires caused by fireworks.

The Logan Emergency Medical Services were present as well.

The Logan Chamber of Commerce operated the main food booth but there were plenty of others available so that event goers had many choices.

Children had fun throughout the day going down the "Moonwalks 4 Fun" 22-foot slide from Hays. "Some 'old' kids were even seen on the slide," said Hendrickson.

The Kansas Hunter's Education Instructor's Association Pellet Range was not able to set up due to the wind. "We look forward to having them next year," said Hendrickson.

The Logan Lions Club directed traffic and the Phillips County Sheriff's Department and Kansas Highway Patrol were in charge of traffic control.

Events included the Dane G. Bales Jr. Memorial Car Show, Van De Creek's State Sanctioned Kids Pedal Pull, the Sand Volleyball Tournament and Radio-Controlled Airplane Fly-In.

Rural Telephone Service of Lenora sponsored the RTS Express from 2 to 5 p.m. Ryan Grammon and Scott Becker were the engineers for the miniature train which provided rides around the golf course for hundreds of children.

Evening entertainment
At 5:30 p.m., the Warnock Family from Branson, Mo. entertained the crowd with an eclectic array of music from the 1920s to the present day. This family of parents and four daughters performed an action packed show with dancing, instruments, humor and beautiful vocals. They performed everything from Oldies to Rock N Roll, Gospel to Pop, Country and even some of their own original music.

the Moon River Theater in Branson. Next, the McLemore Family from Colby took the stage. This bluegrass band entertained with their tight a cappella harmony and good family fun. The group of parents and twin sons put on a professional but relaxed stage show with a flair that pleased the audience and also incorporated some off-the-wall "fun" stuff.

Kids Pedal Pull

The state-sanctioned Kids Pedal Pull had 42 entries and was conducted by Leigh and Bill Van De Creek, Abilene, who have been in the pedal pull business for 25 years and have been coming to Logan for about 16 of those years.

They conduct 73 pedal pulls each year in Kansas. The Van De Creeks have also been the official pedal pull coordinators at the Kansas State Fair in Hutchinson for about 20 years and alternate years on conducting the national pedal pull in Mitchell, S.D. Bill told the Telegram that they had 726 kids at the state pull last year. The top three boys and girls in each age group from the state fairs qualify for the national pedal pull.

"Kansas kids always do well at the national pull," said Leigh. "They're always right in there for first, second or third."
