Re-Elect

John Faber
120th District Representative

"During the last twelve years that I have served in the House of Representatives, I have cast over 10,000 votes. I have worked hard for the best interests of our district, studying the issues and their importance to the citizens of Northwest Kansas as well as for the state.

Kansas faces many challenges, but I am optimistic about our future. I want to continue developing new and innovative ways to create economic opportunities for rural Kansas. I appreciate the trust that my constituents have placed in me, and I will continue to work hard to serve their needs in Topeka."

John has the experience we need and the vision to succeed:

- Votes to protect "home owned carnivals" from government regulation.
- Also serves on the Education Committee, Education Budget Committee, and Joint Committee on rules and regulations.
- Understands the importance of hard work and cooperation and the issues facing the 120th District.

Paid for by The Campaign to elect John Faber, Ed Carson, Treasurer.
