## FYI

Polly Bales, accompanied by her niece, Suzanne Lara of Lawrence, and Dr. James Higdon Jr., also of Lawrence, flew to Montreal, Canada Oct. 15 to attend the International Organ Competitions.

She had sent a contribution to this project when she first heard of it, and was thrilled that she was going to attend and be a part of this event.

But she had no idea she would be involved in any way.

During the proceedings, she was asked to come on-stage where she was introduced and presented a bouquet of red roses, with compliments for having been a part of this special event.

It was a once in-a-lifetime experience for her and she was very grateful for it.
