RESOLUTION NO. 2009-11

A RESOLUTION REGULATING THE PROCUREMENT OF LEASE, LEASEHOLD, RIGHTS OF WAY, AND/OR EASEMENT FOR THE PURPOSE OF CONSTRUCTION AND OPERATION OF A PROPOSED WIND ENERGY FACILITY

Published in the Norton Telegram Friday, May 8, 2009

**RESOLUTION NO. 2009-11** A RESOLUTION REGULATING THE PROCUREMENT OF LEASE, LEASEHOLD, RIGHTS OF WAY, AND/OR EASEMENT FOR THE PURPOSE OF CONSTRUCTION AND OPERATION OF A PROPOSED WIND ENERGY FACILITY

(1T)

BE IT RESOLVED, by the Board of County Commissioners of Norton County Kansas, as follows:

1. TITLE: This Resolution shall be known as the WIND ENERGY FACILITY NO TIFICATION RESOLUTION for Norton County, Kansas.

2. PURPOSE: The purpose of the Resolution is to provide for the notification of activities to procure leasehold, rights of way, and/or easements for the purpose of construction, operation and decommissioning of Wind Energy Facilities in Norton County subject to reasonable conditions that will protect the public health, safety and welfare.

3. DEFINITIONS:

A. "Applicant" is the person or entity filing notification(s) under this Resolution. B. "Lease," "Leasehold," "Easement," and/or "Right of Way" is defined as the process of acquiring any of the afore listed items by anyone who is a Wind Energy Facility owner, developer, or representative of any description thereof, and includes realtors or other representatives pursuing any of the items first listed in this section on the behalf of, for the use thereof, sale or transfer thereto, or in partnership in any form, with the current, future or proposed Wind Energy Facility.

C. "Wind Energy Facility" means an electric generating facility, which has as its main purpose the supply of electricity, consisting of one or more Wind Turbines and other accessory structures and buildings, including substations, meteorological towers, electrical infrastructure, transmission lines and other appurtenant structures and facilities.

A. This Resolution applies to all Wind Energy Facilities planned or proposed to be constructed after the effective date of the Resolution, except that this Resolution is not intended to apply to stand-alone Wind Turbines constructed primarily for individual residential or farm use.

B. Wind Energy Facilities constructed prior to the effective date of this Resolution shall not be required to meet the requirement of this Resolution; provided that any physical modification to an existing Wind Energy Facility that materially alters the size, type and number of Wind Turbines or other equipment requiring new and/or different lease, leasehold, right of way, and/or easement procurement shall require notification under this Resolution.

5. NOTIFICATION REQUIREMENT:

A. Within ten (10) days of the commencement of activity for lease, leasehold, easement or right of way procurement regarding a Wind Energy Facility, or addition of a Wind Turbine to an existing Wind Energy Facility, shall be pursued prior to notification of such activity to Norton County through the Norton County Clerk in accordance with the Resolution.

B. Any physical modification to an existing Wind Energy Facility that materially alters the size, type and number of Wind Turbines or other equipment precipitating the procurement of new lease, leasehold, right of way, and/or easement shall require notification under this Resolution.

6. NOTIFICATION APPLICATION:

The form and substance of notification under this Resolution shall be determined by Norton County and, among other things, shall contain the following:

A. A narrative describing the proposed Wind Energy Facility, including an overview of the project; the project location; the approximate generating capacity of the Wind Energy Facility; the approximate number, representative types and height or range of heights of Wind Turbines to be constructed, including their nameplate, generating capacity, dimensions and respective manufacturers, and a description of ancillary facilities.

B. Identification of the properties on which the proposed Wind Energy Facility will be located, and the properties adjacent to where the Wind Energy Facility will

C. A site plan, when available, showing the planned location of each Wind Turbine, property lines, setback lines, access road and turnout locations, substation(s), electrical cabling from the Wind Energy Facility to the substation(s), ancillary equipment, buildings, and structures, including permanent meteorological towers, associated transmission lines, and layout of all structures within the geographical boundaries of any applicable setback.

D. Other relevant studies, reports, certifications and approvals as may be reasonably requested by Norton County to ensure compliance with this Resolution and any other applicable Local, State or Federal Statute and/or regulation.

E. Within thirty (30) days of Notification application, the Board of County Commissioners of Norton County, Kansas, will schedule a public hearing. The applicant shall participate in the hearing and be afforded an opportunity to present the project to the general public, identified landowners and municipal officials, and answer questions about the project. The public shall be afforded an opportunity to ask questions and provide comment on the proposed project.

F. The Applicant shall promptly notify the Norton County Clerk of any changes to the information contained in the notification application.

7. LIABILITY INSURANCE: The applicant shall maintain a current general liability policy covering bodily injury and property damage, including errors and omissions coverage, with limits of at least One Hundred Thousand dollars (\$100,000.00) per occurrence and One Million dollars (\$1,000,000.00) in the aggregate. Certificates shall be made available to Norton County upon request.

8. PUBLIC INQUIRIES AND COMPLAINTS:

A. The Notification Applicant shall maintain a physical address, phone number(s) and identify a responsible person(s) for the public and local officials to contact with inquiries and complaints. B. The applicant shall make reasonable and timely efforts to respond to the

public's inquiries and complaints.

A. It shall be unlawful for any person, firm or corporation to violate or fail to comply with or take any action which is contrary to the terms of this Resolution, or cause another to violate or fail to comply, or to take any action which is contrary to the terms of the Resolution.

B. If the Board of County Commissioners of Norton County determines that a violation of the Resolution has occurred, it shall provide written notice to any person, firm or corporation alleged to be in violation of this Resolution.

C. Upon notification that Norton County has determined a violation has occurred, the party(s) determined by it to be in violation of this Resolution shall have a period of up to ten (10) days to resolve the violation and comply with the provisions of this Resolution. D. If after thirty (30) days from the date of the notice of violation the Board of

County Commissioners of Norton County determines, in its discretion, that the party(s) have not resolved, or put forth reasonable effort, to resolve the alleged violation, Norton County may institute civil enforcement proceedings or any other remedy at law to ensure compliance with the Resolution. E. The Board of County Commissioners of Norton County, Kansas, may determine

.00 to assess monetary penalty for each violation of this Resolution in accordance with 6.27 the following guidelines: 6.50 1. First Violation — maximum penalty of \$100.00

2. Second Violation — maximum penalty of \$500.00

3. Third Violation — maximum penalty of \$1,500.00

4. Subsequent and continual violation may result in the denial of business operations within the legal boundaries of Norton County.

10. EFFECT: The Resolution shall take effect upon its adoption and publication in the official County newspaper. PASSED AND APPROVED this 27th day of April, 2009.
