## Mobile screening unit available

A new Kansas Lions Mobile Screening Unit will be hitting the streets this fall thanks to a partnership between the Kansas Lions Sight Foundation, Kansas Lions Club, and a \$100,000 donation per year for five years from the Blue Cross and Blue Shield of Kansas (BCBSKS) Foundation. This partnership represents the

BCBSKS Foundation's single largest gift since its incorporation in 2005. The funds will be used to purchase the new Kansas Lions Mobile Screening Unit, screening equipment and travel expenses. Because of this donation, the Kansas Lions Mobile Screening Unit will continue to travel

throughout the BCBSKS Foundation service area offering free health screenings for visual acuity, field of vision, hearing, blood pressure and blood sugar. To learn about when the Kansas Lions Mobile Screening Unit will be in your area, contact Joyce DeVore at joyced4@cox.net.
