# **Endorsement received**

Tim Huelskamp, Republican candidate for Congress in the Big First, announced today that he had received the endorsement of the Kansas State Rifle Association (KSRA).

Huelskamp has won every 2nd Amendment endorsement in the race for Congress, having been previously endorsed by both the National Rifle Association and Gun Owners of America.

Patricia A. Stoneking, President of the Kansas State Rifle Association, said: "I have worked with Tim Huelskamp to pass

pro-gun legislation in Kansas and he is a strong and dedicated advocate for the protection of our constitutional and second amendment rights. He completely understands the concerns of gun owners and seeks to fully protect our rights."

"Our campaign has great momentum right now," said Huelskamp. "Kansans are figuring out that I am the only proven conservative leader in this race and the undecided voters are siding with us in droves.'

Conservatives both in Kansas

and nationwide have coalesced around Huelskamp's campaign in recent months. Huelskamp has earned the support of leading conservatives such as Gov. Mike Huckabee, Kansans for Life, the National Rifle Association, Gov. Rick Perry, Gun Owners of America, Congressman Ron Paul, Concerned Women for America, and over 30 members of the Kansas legislature.

To see the KSRA's endorsement in the 1st District and other races please go to www.ksraweb.net/ endorsements.html.

# Kansas technology field day

## **Special to the Telegram Mary Lou Peter**

mlpeter@ksu.edu Every year new technology is unveiled for agricultural producers -- to the extent that the choices can sometimes be baffling - and

often a sizeable investment.

The Kansas Agricultural Technology Field Day, to be held Aug. 10 from 9 a.m. to 4 p.m. at the Airport and Expo Grounds in Great Bend, is designed to give farmers, ranchers and others the opportunity to see the latest technology available, learn from those who designed and use it, and in some cases, even try it out themselves.

"Agricultural technologies are advancing rapidly," said Kansas

election receipts

On July 26 treasurers for candi-

dates running for state and county

office will file their pre-primary

election campaign reports. In addition, on July 29 a report of

last minute contributions will also be filed by any state or local

candidate who receives any contributions in the amount of \$300 or

more. These reports are a matter of

public record and are available for

review in each candidate's home county with his or her county

election officer. Candidates for statewide office file their reports

only with the Secretary of States. These reports contain the nanes of

most contributors and the amounts

of their contributions as well as information as to now campaign

producers are challenged to stav informed about the latest developments and potential benefits, so are hesitant to adopt them."

"The program is designed to be hands-on," said Wolf, who is a specialist in application technology with K-State Research and Extension. "The site we've chosen has proven to be ideal for hosting this `ride and drive' event. There will be presentations, demonstrations and special companydeveloped hands-on workshops throughout the day designed to provide basic and advanced use on various technology including spray controllers and other interactive screens."

K-State Research and Exten-State University agricultural en- sion, along with the Kansas Ag-

these technologies advance, many (KARA), is sponsoring the field

The fee to attend is \$25 per person if paid by July 30, which includes all field day materials and lunch. Organizers request that participants register early to ensure enough materials and food are available.

The fee after that date and on site is \$50 per person. KARA members receive one free admission per membership if registered by the July 30 deadline. KARA membership is \$100 and can be submitted with registration to save \$25.

More information about KARA and the field day, including industry updates and speaker presentations, is available on the website www.ksagresearch.com or by gineer Bob Wolf. "However, as ricultural Research Association calling Wolf at 785-532-2935.

120th District Representative

It is an honor to represent you in Topeka. Our state is going through some challenging times but we are Kansans. We stick together, help each other out in times of need, and work to overcome the challenges we face. I look forward to continuing to put my years of experience to work on behalf of the voters of the 120th District.
