Hunters can buy Kansas licenses and permits through a toll-free telephone call, online from a home or office computer, or from one of more than 600 license vendors around the state.

To buy a license online, go to the Kansas Department of Wildlife and Parks web site at kdwp.state.ks.us and click on the icon for licenses/permits. That will take you to a web site where the license purchase can be handled.

The toll-free telephone number for purchasing a hunting or fishing license or a park permit is (800) 918-2877.
