Public Notice

NOTICE OF INTEGRATED RESOURCE PLANNING

TO ALL PERSONS CONCERNED: You are hereby notified that Midwest Energy, Inc. seeks input from the public in preparing an Integrated Resource Plan (IRP) to be submitted to the Western Area Power Administration (Western) pursuant to Federal Register Vol. 65, No. 62, dated March 30, 2000/ Rules and Regulations Part 905-Energy Planning and Management Program. The purposes of the IRP are to meet the objectives of the Energy Planning and Management Program (EPAMP) of the Energy Policy Act of 1992 (EPA) and to extend the long-term firm power resource commitments of Western while supporting integrated resource planning; demand side management (DSM), including energy efficiency, conservation, load management; and the use of renewable energy. You are invited to provide public input into the planning process of Midwest Energy, Inc. for new energy resources, including new generating capacity, power purchases, energy conservation and efficiency, cogeneration, heating and cooling applications and renewable resources, in order to provide adequate and reliable services to its member-owners.

A summary of the plan may be picked up after October 29, 2010 at Midwest Energy, 1330 Canterbury Rd., Hays, KS 67601. Additionally, the plan summary and may be viewed on our web site at www.mwenergy.com after October 29, 2010.

On November 15, immediately following the Annual Meeting of members, interested parties may attend an open meeting, including an informal review and comment session pertaining to both the IRP process and other energy efficiency initiatives in which Midwest Energy is participating.

Both the Annual Meeting and the informal review/comment session will be available as a streaming broadcast with a link available through our web site at www.mwenergy.com.

Written comments may be submitted to Midwest Energy, Inc., 1330 Canterbury Rd., Hays, KS 67601. All comments must be received no later than November 30, 2010.
