## CARD OF THANKS

### CARD OF THANKS

#### The Family of Florence Capstick (Gram)

would like to thank the Hillcrest Terrace Assisted Living for all the wonderful care that was given to her while she was a resident. She enjoyed every day she spent at Hillcrest as well as all the wonderful employees and residents she got to know.

We would also like to thank the Alma Rescue Squad, Harlan County Health System, and Heartland Family Medicine for their devoted time and caring efforts that were given to her. What a wonderful hospital, clinic, and EMS service we have in this community.

Thank you also to all the people who sent cards, memorials, flowers, brought food to our home, phone calls and stopped to visit. Words cannot express how much that meant to all of us. We are truly blessed with many good friends neighbors, and family.

And last of all, thank you to Dr. Smolik and his colleagues for the great care that was given to her. She couldn't brag enough about Dr. Smolik, and how kind, good natured, and professional he was. We are so fortunate to have such amazing people in our community. It's times like these that you truly realize all the wonderful blessings that one has in their lives. **THANK YOU ALL SO MUCH.**
